Pursuant to the Governor's Executive Order 202.4, the Hudson City School District is working collaboratively with existing licensed daycare providers to find open placements for non school-aged children, 5 years and younger, of essential workers and first responders. If you require childcare for this purpose, please complete and submit this form. Your information will be shared with Kim Lybolt, the Director of Student Services for the Hudson City School District. Once processed you will receive an email with the registration form to be completed prior to your child being able to attend.

If unable to complete the form electronically, contact Kim Lybolt at 518-828-4360 X 2110 or email her at lyboltk@hudsoncsd.org
