CHILD SAFETY ZONES

The Board of Education reserves the right to designate a hazardous zone as a child safety zone in accordance with Education Law and the Regulations of the Commissioner. A parent or guardian who believes his/her child traverses a hazardous zone which may be designated as a child safety zone may advise the District of the same by submitting their concerns in writing to the Superintendent. If the Board of Education approves the parent/guardian questions to designate a hazardous zone as a child safety zone, the District will transport the child accordingly.
