RE: Number of Pay Periods

Pursuant to Article 9A of the Agreement between the Hudson City School District Board of Education and the Hudson Teachers' Association:

“Teachers will be given the option of selecting a twenty-one or twenty-six pay period for the subsequent school year. Those teachers selecting a twenty-six-pay period shall receive a lump sum payment equivalent to five pay periods on the last pay period in June.”

A teacher having made his choice of 21 or 26 pay periods, may not change his choice except by written notice to the Business Office prior to August 1st of the school year in which the change is to become effective and changes shall be limited to not more than one (1) such change during a period of three (3) years.

Will you please indicate your choice of pay periods by checking the desired number below. This will enable us to complete your salary agreement accordingly.
