Dear HCSD Parents/Guardians:

At yesterday's press conference Governor Cuomo officially announced that schools may reopen in every region of NYS based on the current low rate of infection (1%). He further announced that in addition to the comprehensive reopening plan submitted and posted to district websites recently, we must also:

1. Post the following plans separately on our website by August 14:
 - a. **Remote Learning Plan** - describing how the district will address the issue of equity if offering remote learning.
 - b. **COVID-19 Testing Plan** - describing how individuals will be tested if COVID-19 symptoms present themselves, who will conduct the testing, etc.
 - c. **Contact Tracing Plan** - describing how the district will trace who may need to quarantine if positive case, etc.

2. Conduct discussion sessions by August 21 as follows:
 - a. Three Q&A sessions with families
 - b. One Q&A session with teachers/staff

HCSD will host the Q&A sessions* as follows (meeting links to follow):

- Teachers/Staff- Tuesday, August 11 4:00 - 5:30
- MCS Families - Wednesday, August 12 4:00 - 5:30
- HHS Families - Thursday, August 13 4:00 - 5:30
- JHS Families - Monday, August 17 4:00 - 5:30

*In an effort to be as efficient as possible, all questions should be submitted to reopeningquestions@hudsoncsd.org prior to the Q&A session dates. Please specify the school building in the subject line (MCSES, JHS, HHS). Questions submitted will be answered during each school's session and included in the FAQ document located on our website. You may also continue to send questions to reopeningquestions@hudsoncsd.org after the sessions are completed and we will respond accordingly.

Thank you for your continued support during this challenging time.

Onward with Bluehawk pride,

Dr. Maria Lagana Suttmeier, Ed. D.
