PUBLIC COMPLAINTS

The Board of Education recognizes the right of community members to register individual or group concerns regarding instruction, district programs, materials, operations, and/or staff members. The main goal of the district is to resolve such concerns specifically with the parties involved, whenever possible.

Public complaints about the school district will be directed to the proper administrative personnel according to the following chain of command: Complaints about specific classroom practices shall be directed to the teacher concerned. If the matter is not settled satisfactorily, the complainant shall then contact the Building Principal; if there is no resolution on this level, the Superintendent of Schools or his/her designee shall be contacted. The Superintendent shall refer the issue to the Board for final resolution, if necessary. Complaints regarding the district's implementation and administration of the Title I fund are addressed in the section below.

All matters referred to the Superintendent and/or the Board shall be in writing. Concerns registered directly to the Board as a whole or to an individual Board member shall be referred as soon as is reasonably possible to the Superintendent for investigation, report, and/or resolution.
