William M. Wood
Associate Principal

The Hudson Senior High School engages our diverse learners by striving to instill a sense of curiosity and hope through robust exposure and experiences that will enable them to develop the knowledge and skills necessary for career readiness, contributing to the well-being of our community.

May 11, 2021

Dear HHS Virtual Student Families:

We hope that your experience with virtual learning has been positive. We are proud of the hard work that students, teachers, and parents continue to do every day to support academic success. While this has not been an ideal year, everyone pulled together to make your child's educational experience as robust as possible.

As you may have heard, the New York State Regents Exams are still taking place this year after a request to cancel the exams was denied at the federal level. Please understand that we are keeping things low key and ask that you do the same. We will use this as another opportunity to gather data and see where our students currently are on their educational journey, which will help us with future planning.

Because New York State decided that virtual students cannot take the Regents Exams at home, we are inviting your child(ren) to take the state exams at school in a carefully monitored setting. All COVID protocols will be followed and we are confident that we can provide a safe testing environment.

Regents Exam Schedule: Students will need to arrive by 8:15 a.m. for temperature checks and COVID Screening

- ★ Thursday, 6/17- English Language Arts 8:30-11:30
- ★ Tuesday, 6/22- Living Environment 8:30-11:30
- ★ Wednesday, 6/23- Algebra 1 8:30-11:30 **Transportation to and from school will be provided.**
- ★ Thursday, 6/24- Earth Science 8:30-11:30

Parents must provide transportation for their child(ren) to and from school on the days of the exams (except for Wednesday, 6/23, on which transportation will be provided). Free breakfast and lunch will be available, if needed.

Students are required to sit for 2 hours or a maximum of 3 hours. Any students with testing accommodations will be granted the required accommodations based on the exam. Students are not required to take these state exams this school year as long as they pass the course at the end of the year, but we continue to support our belief that every student should take the exams and do the best they can.

Please indicate your intent to have your child participate in this year's New York State assessments by completing this [form](#) **no later than Tuesday, May 25, 2021**. Once we know the number of virtual students participating in their state exam(s), we will develop a testing schedule that will allow us to safely bring your child(ren) into the school for their Regents Exams. If you have any questions, please contact the main office at 518-828-4360 ext. 3100.

Sincerely,

Robert J. LaCasse- HHS Principal

William Wood-HHS Associate Principal

*If your child plans to take a New York State exam that is scheduled on a date they are usually virtual (see the schedule below), please complete this [form](#) no later than **Tuesday, May 25, 2021**.
