The Hudson Senior High School engages our diverse learners by striving to instill a sense of curiosity and hope. Through robust exposure and experiences, our students will develop the knowledge and skills necessary for career readiness, contributing to the well-being of our community.

Dear Business Owner or Manager:

As part of our fundraising efforts we offer business advertisements in the 2022 edition of the Hudson High School Blue & Gold Yearbook. These ads can recognize a student employee or family member with a congratulations message along with the business' logo/artwork.

Your support makes a difference to the student community. Additionally, it strengthens the greater community, as well. These ads help defray the cost of publishing the yearbook and benefit all of our students.

Full page ads are \$300, half page \$150, fourth page \$100, and eighth page \$50.

Please send artwork/company logo that you would like to use in your advertisement to keyserj@hudsoncsd.org

Let your business enjoy the benefits of lifelong memories by reserving space in our yearbook today.

If you have any questions regarding a business Ad please call Jodi Keyser or Michelle Nowak at Hudson High School, 518-828-4132 ext. 3100 or by email at keyserj@hudsoncsd.org

Please make checks payable to Hudson Blue & Gold Yearbook. All advertising is due by January 14, 2022.

Thank you for considering purchasing an ad in the 2022 Blue & Gold Yearbook.

Sincerely,

The Yearbook Staff
