Dear Bluehawk Families,

I am writing to inform you of an upcoming leadership change at Hudson Senior High School. Associate Principal Mr. Wood will be leaving the district after accepting a position as the Career & Technical Education principal at Questar III's Columbia-Greene Educational Center. He was appointed by Questar III's board last night and his last day at HHS will be Friday, December 3rd.

While we are saddened by his planned departure, we are glad to know that Mr. Wood will continue to be a presence in the lives of Hudson students who attend Questar III's CTE programs. We wish him the best of luck in his new position.

From morale boosting musical performances to pushing PBIS activities and initiatives, Mr. Wood has shown his support and leadership at every opportunity. We are grateful for the work he accomplished at HHS over the last few years and look forward to what we will accomplish with the next associate principal. The search for a replacement is already underway and we hope to have a permanent candidate in place as soon as possible.

As always, your student's success and well-being will remain top priorities during this transition. If you have any questions or concerns, please feel free to contact me via email or call the main office at 518-828-4360 ext. 3100.

Sincerely,

Robert LaCasse

HHS Principal
