March 29, 2022

Dear Parents and Guardians,

A shelter-in-place was initiated at Hudson Junior/Senior High School at approximately 10:30 a.m. this morning following an altercation between a group of high school students in the hallway. During the shelter-in-place, students and staff remained in their classrooms to keep hallways and common areas clear while the situation was addressed.

Our School Resource Deputy swiftly responded to the altercation and during restraint, a pocket knife was discovered and confiscated after it fell out of a student's pocket. At no time was the pocket knife purposefully or threateningly pulled on any individuals. Additional law enforcement officers arrived at the school to assist the investigation and ensure it was safe to resume hallway transitions as usual.

Please reinforce with your child(ren) that weapons of any kind are strictly prohibited and students who bring weapons to school, even if by accident, are subject to disciplinary measures at school and possibly even legal consequences.

The safety of our students and staff is of the utmost importance. We are grateful for the quick actions of HHS administrators and Deputy McSween to ensure the safety of our school community and return to regular school activities. If you have any questions or concerns, please contact your child's principal.

Sincerely,

Dr. Lisamarie Spindler  
Superintendent of Schools
