The Hudson Senior High School engages our diverse learners by striving to instill a sense of curiosity and hope through robust exposure and experiences that will enable them to develop the knowledge and skills necessary for career readiness, contributing to the well-being of our community.

Dear Parent(s) or Guardian(s),

The safety and welfare of our students and staff are our highest priorities at Hudson Senior High School. On Friday, September 30th, sometime prior to 11:00 a.m. we will be conducting a planned school-wide lockdown drill. To prepare for an emergency, we conduct a minimum of four (4) lockdown drills and eight (8) fire drills during the school year, some announced and some unannounced, per New York State Education Department regulations.

Our school has worked diligently to correctly develop and implement safety procedures. During the drill on Friday, students will practice the actual procedures of gathering in a corner of the classroom out of sight. The goal of drills is to improve our ability to protect students, save lives, and reduce injuries in an actual emergency. These practice drills allow us to evaluate our emergency operation plans and improve our response skills.

Please talk with your child about lockdowns if you deem it appropriate. Our goal, while practicing important safety procedures, is to be sure all students feel safe. For more information about school emergencies/drills, please visit our website at <https://www.hudsoncsd.org/parents-and-community/information-for-parents-guardians-about-school-emergencies-drills/>.

Sincerely,

Derek W. Reardon, Principal
