December 15, 2022

Dear Parent/Guardian,

Collecting accurate data regarding digital resource access for our New York students will greatly help educators to better serve their students and families. In order to accomplish this, the New York State Education Department is asking parents or guardians to complete a Digital Resource Survey (for each student in the family) in grades PreK through Grade 12. This survey will provide information on student access to devices and internet access in their places of residence. To assist us in this process, **please complete a survey for each student in your household. Please be sure to answer each question on the survey.**

Please return completed surveys to your student's school by Friday, January 6, 2022.

Thank you for your time and cooperation.

Cheryl Rabinowitz
Manager of Instructional Technology
