Dear 6th Grade Families,

We are excited about our Nature's Classroom trip this spring and have some updates to share. Many of you have already submitted your deposit, thank you! If you have not yet turned in your deposit of \$50, there is still time if you plan to attend the trip. Please return with the deposit slip below. If paying by check, make the check out to Hudson City School District and put Nature's Classroom in the memo.

We were lucky enough to receive a generous grant from the Berkshire Taconic Community Foundation and a few donations from friends and family of Hudson City School District. This will help keep costs down and allow us to extend scholarship opportunities to more students. If you are interested in this support, please contact Mr. Mort or Mrs. Semanick (emails below). We want as many students to attend as possible!

Finally, we will be holding a fundraiser next month to help students pay for their trip. It is a comprehensive fundraiser and all profits will go toward reducing individual costs. For example, if you sell \$100 worth of products, you will receive between \$20-\$40 off the price of your trip. Specific details will follow and the discount may depend on which products are sold.

As always, if you have any questions, please contact us directly. The best way to reach us is via email at MortJ@hudsoncsd.org and SemanickL@hudsoncsd.org. Thank you so much! We are looking forward to our trip to Lakeside this spring. <https://www.naturesclassroom.org/lakeside>
