Dear JHS Families,

Please be advised that students will be taking the New York State Assessments in English Language Arts and Mathematics after Spring Break. The testing window for each assessment is as follows:

- English Language Arts - April 19-21, 2023
- Mathematics - May 2-4, 2023

Each session will begin promptly after the morning announcements. Please be sure your child arrives at school on time. Bluehawk Academy students will take their assessments in the Junior High School with the rest of the students.

The English Language Arts and Mathematics Tests are untimed. Therefore, students will be given as much time as needed to complete them. Below is the average completion time for each grade.

	English Language Arts		Mathematics	
	Average Time to Complete Session #1	Average Time to Complete Session #2	Average Time to Complete Session #1	Average Time to Complete Session #2
Grade 6	80-90 minutes	90-100 minutes	80-90 minutes	75-85 minutes

Grade 8	80-90 minutes	90-100 minutes	80-90 minutes	75-85 minutes

I thank you for your understanding in this matter and wish everyone a wonderful weekend.

Sincerely Yours,
Rhode Cooper
