

Staff Spotlight:

Mr. Thomas has been with the ASP for 2 years now and is the Site Coordinator. He is fascinated by the level of enthusiasm and creativity of the kids. Mr. Thomas said that if he could be in a club, it would be Hawthorne Valley. He is a steak fanatic, and wishes he could have the power of teleportation as he loves to travel.

Miss Joanne's Corner:

Miss Joanne is our Program Director, and has been with the program since 2008. She absolutely loves her job and finds the children's excitement and growth to be very rewarding. She also doesn't mind that they think she is still 24!! She appreciates the time she gets during program to chat with kids to find out about their day and how clubs are going. She makes sure they know this is their program, and wants to tailor clubs to what they want. If Miss Joanne could have a super power, she would like the power of invisibility.

Leah

Leah is a 4th grader in Mrs. Wordon's class. Her many friends in ASP are Emma, Emily, Harper, Arianna, Paisley, and Zoey. She participates in 3Doodle, Sports for All, and ASPN. Her favorite club is 3Doodle. She would love to be in a builder's club, but likes what we have. At ASP not only does she like the clubs, but the staff as well. She thinks the snack can improve a little, but she really likes the turkey sandwiches.

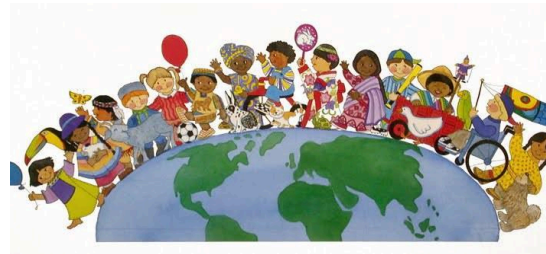

Charlotte

Charlotte is in 3rd grade with Miss Malin. Her friends are Wyatt and Harper. She goes to Hawthorne Valley, ASPN, and Open Rec for clubs. Out of these clubs she likes ASPN because she likes to interview people and find out more about them. She likes all of her clubs, and thinks the staff is ok. She too would like varying snacks. But overall she likes ASP.

Zoey

Zoey is a 3rd grader in Miss Malin's class. In ASP, she likes to hang out with Emma, Paisley, Emily, Charlotte, Harper, and Leah. Her clubs are ASPN, 3 Doodle, and Open Rec. Her favorite is 3Doodle. She would like to be in some type of animal explorer club. She likes the staff and clubs, and feels the staff is nice and kind. Sometimes she likes the snacks but most of the time she doesn't.

Wyatt

Wyatt is a 3rd grader in Mrs. Hanley's class. He has many friends, but would like to shout out to DJ and Abren. His clubs are ASPN, Homework Help, 3 Doodle, and Open Rec. He finds himself really liking 3Doodle. He thinks kickball should be played on the grass. There is not a single club he does not like! He would like to see a "free draw" club. He thinks the staff are all really nice. He loves the bagel snack!

Harper

Harper is in Miss Mav's 3rd grade class. In ASP she likes hanging with Emily, Elianna, Ella, CHarlotte, Wyatt, Emma, Zoey, and Leah. She has ASPN, Homework Help and Open Rec. She loves coloring and playing. She likes Homework Help a lot, but would love to see a "create your own cardboard craft" out of leftover cardboard. She would like ASP to be a little quieter, and for the kids to listen. She likes the staff because they are so nice. Favorite snack is bagels.
