

# PENNYMAN'S PEN

## ISSUE 21 | NOVEMBER 21, 2024

Welcome to Superintendent Dr. Juliette Pennyman's bi-weekly update for the community: Pennyman's Pen!

### Flying Classroom Saturday STEM Pilot Program

A group of Hudson Junior and Senior High School students are receiving hands-on science, technology, engineering and math lessons through the new Flying Classroom Saturday STEM Pilot Program, which successfully launched on Oct. 26, 2024.

Slots are available for additional students to participate for the remainder of the school year.

### Brooks Gibbs Spoke to the District

Brooks Gibbs is a resilience educator with a PhD in Social Psychology. He specializes in teaching youth how to be emotionally resilient and inspires them to live by the golden rule.

On Wednesday, November 13, 2024, the District was honored to host speaker Brooks Gibbs, PhD. Gibbs spoke at all three schools, and he ended the day with a presentation for staff and faculty, families, and community members.

### Spotlight!

A Superintendent's Spotlight on Excellence was given to Noah Kornbluh & Victor Sparano at Berkshire Bike & Board!
