Hudson Reads Mentees and Mentors Celebrated the Season

Before we left for our winter holiday break, MCSES Hudson Reads mentees and mentors celebrated the season of giving by exchanging books and sharing in some dynamic student performances from its dance, gymnastics, choir, and band students. Many thanks to the club advisors and site leaders for their part in creating this magic to share.

Reminder: Hudson Reads is soliciting mentors for the 2025-2026 school year.
