Subject: 2026-2027 Health Insurance Deductions
Date: May 1, 2026

The current rates for all Medical Plans are listed below and will begin with the 7/9/26 paycheck. (These deductions are calculated by taking the monthly premium and multiplying it by 12 months and then dividing it by 26 paychecks)

Monthly rates for all plans will continue to be on a July 1 to June 30 schedule and will not change until July 1, 2026. Please compare these rates to your insurance deductions in your first full paycheck beginning in July 2026.
