

Want to help to support HCSD students?

# Join the Club!

**Booster Club**  
Art | Music | Sports

Want to have a meaningful impact on the lives of the Hudson City School District students but don't know where to start?

*The Booster Club may be the answer!*

## **WHAT IS THE BOOSTER CLUB?**

The Booster Club is a group of parents and staff members who are united by their dedication to the children of the Hudson City School District.

The Club not only works to enhance our students' school experience, but also to help foster a sense of community and school spirit in ways that are not covered by the district's budget.

## **WHY ARE BOOSTER CLUBS IMPORTANT?**

School budgets are tight. In fact, a 2022 survey by the Education Commission of the States found that 66% of schools reported insufficient funding for extracurricular activities. Without booster clubs, many programs would struggle or cease to exist. Club members work to make sure our Art, Music and Sports programs thrive.
