## WHY BREAKFAST MATTERS

- Improves concentration and focus
- Provides energy for learning and extracurricular activities
- Supports memory and problem-solving skills
- Helps students stay engaged throughout the school day
- Promotes healthy growth and wellness

## DID YOU KNOW?

Students who eat breakfast are more likely to be alert, focused, and prepared to learn throughout the day.

## OUR GOAL

We want every student to have access to healthy, convenient meals throughout the school day.

The Breakfast After the Bell Vending Machine provides flexible access to breakfast for students arriving at different times during the morning.

In addition to breakfast meal kits, **lunch meal kits are available after 10:30 AM**, helping students stay fueled and ready to learn.
